Dear Ms. Helen Ranger,

On behalf of the Board of Directors of the High Atlas Foundation (HAF), we sincerely thank you for your thoughtful donation of **5000 MAD** made on 7th of November 2018.

The High Atlas Foundation was founded in 2000 by former Peace Corps Volunteers who served in Morocco as a way to continue to benefit the country. HAF is dedicated to participatory development, benefiting communities who identify and implement projects in agriculture, education, health, and empowering women and youth.

HAF empowers women through their self-discovery, community-driven livelihoods, and knowledge of human rights. HAF builds the power of youth through sharpening their abilities to create sustainable community and personal growth. HAF brightens schools with new classrooms, gardens, and interactive environmental education. HAF brings clean drinking water to marginalized communities. HAF vastly expands organic agriculture, and helps direct the new revenue – including through carbon offset credits – to advance the people's development.

We look forward to sending to you updates through our quarterly Newsletter. In the meantime, we would like to invite you to visit HAF's Blog, and to follow us on Facebook and Twitter, so that you can see recent activities.

We thank you again for your partnership. It makes a powerful difference in the lives of Moroccan families.

Yours faithfully,

Yossef Ben-Meir, Ph.D.
President
